

QC²: Quilted Cat Quarters Club

Do you love cat fabric?? Then this club is for you!

On enrolling, we will automatically ship you a bakers dozen (13) of fat quarters of the latest cat fabrics as well as coordinates (mice, paw prints, yarn, etc.). We plan to ship 3-4 times a year as fabric becomes available. There will be no more than 3 coordinates with at least 10 of the latest cat fabrics for \$29.95 (including shipping).

If you'd like more of any fabric, let us know – identify yourself as a QC squared member and you will receive a 20% discount!
